

TASTING NOTES

Devils Backbone 2018 Pinot Gris

The Devils Backbone Pinot Gris is richly fruited and generously textured. This flavoursome wine is filled with tropical fruit, nectarine, poached pear and exotic floral characters.

The palate delivers excellent concentration and a silkiness that is brilliantly supported by juicy acidity.

It is immediately appealing and ideally suited to partner summer salads or mild spicy dishes.

Dave Grant

HARVEST DATE

April 2018

VINEYARDS

Single Vineyard

WINE ANALYSIS

13.5% Alcohol, TA 6.8g/l, pH 3.4

PRODUCTION

380 Cases

Whole bunch pressing over five hours to maintain flavor intensity was a crucial step in the winemaking process.

The wine was cool-fermented over two weeks in temperature controlled stainless steel tanks.

No malolactic occurred.

The purity of the fruit allowed for the wine to be bottled without fining, harnessing the full and true flavor of our high quality grapes.

The wine was stabilized and sterile filtered prior to bottling.
